INCOME TAX WITHHOLDING

Federal tax law states that the taxable portion of withdrawals is subject to 10% income tax withholding, although you may elect to have it withheld at a different percentage rate, a specific dollar amount or elect no withholding. Unless you request otherwise below, Western & Southern Life will withhold 10% federal income tax. If you are a resident of IA, MA, ME, OK, OR, VA, VT or Puerto Rico and withhold federal tax, Western & Southern Life must also withhold state tax at the state's standard rate unless you indicate otherwise. State withholding does not apply in AK, NH, SD, TN, TX, WA and WY. If you choose not to withhold federal tax, Western & Southern Life will also not withhold any state income tax unless you indicate otherwise.

Even if you elect not to have income tax withheld, you are still liable for the payment of income taxes on your taxable distributions. You may also be subject to tax penalties if your payments of estimated tax and withholding, if any, are inadequate. You direct Western & Southern Life to:

- NOT withhold federal income tax (or state income tax, if applicable)
- Withhold income tax as follows:
