

Ownership Change Request Form

Before naming a new owner, please understand your contract terms. The owner controls the contract. The annuitant is the individual whose life serves as the measuring life for purposes of determining benefits to be paid out under the contract. If the owner and annuitant are different, different rules apply at the death of the owner. Unless otherwise designated in this form, any existing beneficiary designation will remain in effect, notwithstanding the ownership change. You should also be aware that changing the owner of the contract may result in a taxable event. Therefore, we recommend that you consult with your tax advisor prior to making such changes. Please see your contract for further information.
