

A Company Built for Times Like These

When times are tough, look to a company that has stood the test of time.

Western & Southern Financial Group stands among the **strongest life insurance groups** in the world. Here's proof:

HISTORIC STRENGTH

We've seen, met and overcome many challenges **since 1888**,¹ including economic upheaval, world wars, turbulent markets, health epidemics and more.

For generations, we have demonstrated both resolve and resilience in **fulfilling our commitments** to our customers. That's been true in good times and, even more importantly, in uncertain ones.

CAPITAL STRENGTH

Our capital position is a strong part of our financial foundation. It helps ensure our stability as a company — and secure our ability to pay your benefits.

In fact, our capital-to-asset ratio is **significantly higher** than that of the 15 largest publicly traded life insurers.² It positions us with resources to answer industry challenges and support product promises.

RATINGS STRENGTH

Western & Southern's family of companies take particular pride in their industry reputation and standing.

Our issuers (below) are ranked **96 out of 100** by Comdex and are highly rated by independent ratings agencies registered as NRSROs (Nationally Recognized Statistical Rating Organizations) with the SEC.³

Make our strengths your strength

In changing economic times, you can be confident in our company's heritage of stability. Let our strengths be your strength... now... and in the future.

¹ Dates to the 1888 founding of The Western and Southern Life Insurance Company.

² Western & Southern Financial Group, Inc. 17.5% capital-to-asset ratio on a GAAP basis with total assets of \$88.0 billion, total liabilities of \$72.5 billion and total equity of \$15.4 billion, as compared to the 3.9% average of the 15 largest publicly traded life insurers doing business in the U.S. (as of 12/31/2025).

³ The Comdex Ranking is a composite of the financial strength ratings as determined by major rating agencies. It ranks insurers on a scale of 1 (lowest) to 100 in an effort to reduce confusion over ratings because each rating agency uses a different scale. Ratings are subject to change from time to time. The ratings shown here are correct as of 1/26/26.
