Get Comfy with Annuities

Are you in or near retirement? Do you want your savings to have growth potential yet still be secure so you can relax in retirement? An annuity can do that. It’s a strategy that can help you sit back, relax and say ahhhh... 

1. Guaranteed Rates
   Many annuities credit interest rates that are locked in for a specific time period ... guaranteed.

2. Income Payouts for Life
   An annuity income stream can last a lifetime ... for you and your spouse.

3. Tax-Deferred Growth
   Annuity growth is tax deferred. That gives your returns a boost.

4. Protection from Market Losses
   Payout amounts and periods are guaranteed. No matter what happens in the market.

5. Liquidity Possibility
   You can access some funds without penalty. Some contracts even have a 100% money-back guarantee.

6. Survivor Benefits
   A death benefit can ensure the remainder of your funds pass on to loved ones.

7. Design Flexibility
   Single or flexible premiums. Short or long durations. Interest crediting options. And much more.

8. Older Issue Ages
   Mature clients can obtain annuities into their 80s and 90s.

9. Easy Application
   No medical tests. No exams. No problem.

10. All Backed by Comforting Strength...
