Payment of benefits under the annuity contract is the obligation of, and is guaranteed by, the insurance company issuing the annuity. Guarantees are based on the claims-paying ability of the insurer. Products are backed by the full financial strength of Integrity. Indextra is a single premium deferred fixed indexed annuity that earns interest based on changes in a market index, which measure how markets or parts of markets perform. The Indexed Interest Options have a guaranteed interest rate that will never be less than 0%, even if the index(es) goes down.

Earnings and pre-tax payments are subject to ordinary income tax at withdrawal. Withdrawals before age 59½ are generally subject to a 10% IRS penalty tax. Withdrawals may be subject to charges. **Western & Southern member companies and their agents do not offer legal or tax advice.** For specific tax information, consult your attorney or tax advisor. Interest rates are declared by the insurance company at annual effective rates, taking into account daily compounding of interest. Product and feature availability, as well as benefit provisions, vary by state.

The Comdex Ranking, current as of March 2020, is a composite of the financial strength ratings as determined by Standard & Poor's, Moody's, A.M. Best and Fitch ratings. It ranks insurers on a scale of 1 (lowest) to 100 in an effort to reduce confusion over ratings because each rating agency uses a different scale. Ratings are subject to change periodically. The ratings upon which the Comdex is calculated are current as of 3/6/2020.
