An annuity is a long-term financial vehicle designed for retirement. An insurance company accepts premiums and provides future income or a lump-sum amount to the contract owner by contractual agreement.

Payment of benefits under the annuity contract is the obligation of, and is guaranteed by, the insurance company issuing the annuity. Guarantees are based on the claims-paying ability of the insurer. Annuity products are backed by the full financial strength of Western-Southern Life Assurance Company, Cincinnati, OH, or Integrity Life Insurance Company, Cincinnati, OH, where issuer National Integrity Life Insurance Company, Greenwich, NY operates. W&S Financial Group Distributors, Inc. (doing business as W&S Financial Insurance Services in CA) is an affiliated life insurance agency of the issuer. Issuer has sole financial responsibility for its products. All companies are members of Western & Southern Financial Group.

Earnings and pre-tax premium payments are subject to income tax at withdrawal. Withdrawals prior to age 59½ are generally subject to a 10% IRS penalty tax. Annuity contracts contain certain holding periods, limitations, withdrawal charges, exclusions, termination provisions and terms for keeping them in force.

Product and feature availability, as well as benefit provisions, vary by state. Consult your financial professional for product details and limitations.
