1 Gross fund expenses, current as of 5/1/25, are subject to change. See applicable variable annuity prospectus for current net fund expenses, which may be lower.

A variable annuity is a long-term investment for retirement. An insurance company accepts premiums and provides future income or a lump sum to the contract owner by contractual agreement. Contract limitations, fees and charges include, but are not limited to, mortality and risk expense charges, administrative fees, sales and surrender charges, and added charges for optional benefits. Withdrawals may be subject to charges, and may reduce annuity contract benefits and values.

Annual operating fund expenses vary from year to year depending on contractual fee waivers and/or expense reimbursements, which may be voluntary and terminated at any time or subject to board approval, or may expire in accordance with a contractual termination date.

The current net expenses of the portfolio may include a reduction in the expense amount for fee waivers or expense reimbursement. Current net expenses are from the prospectuses and subject to change. Please refer to the prospectus for the amount of the fee waivers and expense reimbursement for a particular portfolio. If fee waivers and expense reimbursement are not applied ("Gross Expense"), it could significantly increase the amount of operating expenses for the portfolio.

Product issuer **Integrity Life Insurance Company**, Cincinnati, OH, operates in DC and all states except NY. Securities offered by **Touchstone Securities**, **Inc.**, \*Cincinnati, OH. W&S Financial Group Distributors, Inc. (doing business in CA as W&S Financial Insurance Services) is an affiliated life insurance agency of the issuer. Issuer has sole financial responsibility for its products. All companies are members of Western & Southern Financial Group.

Payment of benefits under the annuity contract is the obligation of the insurance company issuing the annuity. Guarantees are based on issuer claims-paying ability. Product and feature availability, and benefit provisions vary by state. Contact a financial professional for details and limitations. Interest rates are declared by the issuer at annual effective rates, taking into account daily interest compounding.

Western & Southern member companies and agents do not offer legal or tax advice. For tax information, see an attorney or tax advisor. Variable annuities are tax-deferred insurance products. If you invest through a tax-advantaged plan (e.g., IRA or 401(k) rollover), you receive no added tax advantage or deferral from an annuity. Earnings and pre-tax premium payments are subject to income tax at withdrawal. Withdrawals before age 59½ are generally subject to charges and taxes, including a 10% IRS penalty tax.

There is no guarantee of the investment performance or safety of variable annuity investment options. Investment return and principal value of an investment in a variable annuity fluctuate, so units, when redeemed, may be worth more or less than their original cost.

Investors should carefully consider the investment objectives, risks, charges and expenses of the contract and the underlying investment options.

This and other information is contained in the product and the underlying fund prospectuses and, if available, summary prospectuses. For prospectuses, call 800.325.8583 or visit WSFinancialPartners.com. Please read the prospectuses carefully before investing.
