Loans, withdrawals and advances will reduce the death benefit and cash surrender value and may cause the policy to lapse. The lapse or surrender of a policy with an outstanding loan may result in taxable income.

Receipt of Accelerated Benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements and cause a taxable event.

Life insurance products are issued and guaranteed by The Lafayette Life Insurance Company. Guarantees are based on the claims-paying ability of the company. The Lafayette Life Insurance Company, Cincinnati, Ohio, operates in D.C. and all states except New York.

THE WHOLE LIFE DIFFERENCE

Whole life insurance offers a combination of guaranteed **death benefit protection** and **guaranteed cash value accumulation**. Plus, distinct advantages help form a dynamic financial resource, such as:

- Generally income-tax-free death benefit to a beneficiary.
- Tax-deferred cash value growth.
- Access to policy loans and withdrawals from cash value.^{1,2}

Lafayette Life's Liberty Single Premium Whole Life policy is designed for people who don't want to pay insurance premiums every year, but still want cash value growth and permanent death benefit protection. You pay one lump-sum premium with no more premiums due, and the death benefit is guaranteed for your lifetime.

¹ Cash value is available with income tax charged only when funds taken from the policy exceed the cost basis of premiums paid.

² Loans will accrue interest. Loans, withdrawals and advances will reduce the death benefit and cash surrender value and may cause the policy to lapse if not repaid. Always consult an attorney or tax advisor regarding your specific legal or tax situation.

In order for policies funded by an exchange to be issued as a non-MEC, the entire single premium must be in the form of a 1035 Exchange and the existing policy must not be a MEC.

⁴ Subject to the terms of the policy, including payment of the required premiums, suicide exclusion, contestable provision and loan provision.
