

2019 Supplemental Tax Information

Taxable Income Earned by Source - Dividend income paid during 2019 by the Touchstone Funds is taxable as ordinary dividends for federal income tax purposes except when shares are held through a tax-advantaged account, such as a 401(k) plan or an IRA. The distributions are taxable whether you received dividends in cash or reinvested dividends in additional shares of the Funds. The state taxation of regulated investment company dividends, which are derived in whole or in part from interest on federal obligations, varies from state to state. Please consult your tax adviser concerning the taxation of regulated investment company dividends in your state.

The table below shows the portion of dividends derived from interest income from U.S. Treasury and other government securities during 2019.

Foreign Taxes Paid – Shareholders of the Funds listed below who received 2019 dividends are entitled to receive your choice of either a foreign tax credit or an itemized deduction for foreign taxes paid by the Fund. Your portion of the foreign taxes paid by the Fund in 2019 is reported in Box 7 of your Form 1099-DIV. Although generally, it may be more advantageous to claim a credit for the foreign taxes paid, the ability to claim a credit depends on your individual tax situation. We suggest that you consult your tax adviser to determine your best course of action. Visit TouchstoneInvestments.com in the Resources section under Taxes/Tax Information for the Foreign Tax Factors and the Foreign Source Income percentages for the applicable Touchstone Fund.
