

Less Piles, More Smiles

Bills have a funny way of piling up – on the kitchen counter, dining room table or tossed into a random drawer you may “get to later.” Fortunately, getting organized doesn't have to be complicated. A few simple strategies can help you stay on top of your bills and spend less time sorting paperwork – which means more time for enjoying your retirement.

AVOID HILLS OF BILLS

Make Stability Your Ability

Building financial stability is a lot like building a house. Fancy paint colors are nice, but the foundation is what keeps everything standing. The same idea applies to your finances. Key habits – like maintaining an emergency fund, managing debt and sticking to a spending plan – can help create a sturdy financial foundation. Learn ways to help you feel more confident – even when life throws a monkey wrench into things.

BUILD STABILITY

When I Stop Working, Does My Money Stop Working Too?

You may have retired from work – but your money doesn't have to stop working too. Depending on your goals, investing after retirement may help your savings continue to grow, keep pace with inflation or support future expenses. Like tending a garden, you'll just have to dig in, but thoughtful care can produce results. Learn why investing may still deserve a place in your retirement strategy.
