Our Disclosure Policy

We do not disclose any personal information about Our consumers or former consumers to anyone, except as permitted by law or as described in this Privacy Policy. We limit Our collection and use of personal information to provide you with services or administration of financial products by Us or third parties We retain for this purpose; to tell you about products and services; or to evaluate your financial needs. This may include advising you about products or services and other opportunities We believe you would find of interest. To do this, it may be necessary to share your information with Our licensed insurance agents or representatives of Our affiliates. We require that the companies to which We have disclosed information, including Our own affiliates and representatives, strictly maintain the confidentiality of this information and abide by all applicable laws, as well as adhere to a confidentiality agreement and/or Our Privacy Policy. While We do not sell your information, within the last 12 months, We may have disclosed any of the above listed information for business or marketing purposes to:

- Companies within Our corporate family
- Third parties that perform marketing services on Our behalf
- Other financial institutions with which We have joint marketing agreements
- Third parties that you authorize Us to send your information
- Regulatory bodies
- Third parties with whom We have contractual vendor relationships

Access to your personal information is restricted to authorized employees who need the information to administer your business. We may disclose your personal information to perform necessary credit checks, to collect or report debts owed to Us, and to protect Our rights or property. At this time, We do not respond to browsers "do not track" signals or other mechanisms regarding the collection of personal information about your online activities over time and across different websites.

Sometimes it is necessary to also provide information about you to various companies such as transfer agents, custodians, broker-dealers, and marketing service firms to facilitate the servicing of your account. These organizations have a legitimate business need to see some of your personal information in order for Us to provide services to you. We may disclose to these various companies the information that We collect as described above. We require that these companies strictly maintain the confidentiality of this information and abide by all applicable laws. We do not permit these associated companies to sell the information for their own purposes, and We never sell Our consumer information.

Artificial Intelligence and External Data Disclosure

The information below outlines the usage of Artificial Intelligence Systems (AIS) and External Consumer Data and Information Sources (ECDIS).

Use of Artificial Intelligence Systems (AIS) and External Consumer Data (ECDIS)

- We use AIS and ECDIS in a variety of ways, including in Our underwriting and pricing processes, to improve the quality and efficiency of the products and services We provide to you.

External Data Usage

- We may obtain and use data about you from external vendors.

Life Insurance Applicants

- In the case of life insurance, if a declination, limitation, rate differential, or any other adverse underwriting decision occurs, We will provide you with the reasons behind the decision. This will include an explanation of the AIS and ECDIS We used in making that decision.

For New York Residents

- As a resident of New York, you have the right to request specific information regarding the ECDIS or AIS data that influenced any underwriting or pricing decisions related to your policy or contract. Should you wish to make such a request, please contact Us at 800-926-1993, and We will provide the relevant information.

Our Communication Practices

We take the security of your personal information very seriously. We provide security features to help ensure you can access your information. Our verification process provides an extra layer of information security designed to keep your information safe. When you initiate contact with Us, We will verify your identity or that of your authorized representative before sharing information. We will ask you or your representative to verify information We have on file or ask other questions to confirm that We are speaking to you or your authorized representative.

Protecting Children's Privacy

We recognize the importance of protecting children's privacy. We do not sell consumer personal information, including information on minors under 16 years of age.

Designation of Authorized Representative

You may provide Us (or Our designee) with a written authorization for an authorized representative to represent and act on your behalf and consent to a request of information related to you to the authorized representative.

Notification of Privacy Policy Changes

This Privacy Policy was last updated on June 6, 2025. The Privacy Policy may be modified occasionally and We will post modifications on this website as We implement them. The date of the latest revision will appear at the bottom of this page and We encourage you to check periodically for updates.

Your Rights Regarding Your Information

Subject to certain exemptions, you have certain rights regarding your information that We and Our affiliates collect.

- You have a right to access your personal information that is collected.
- You have a right to request that We delete your personal information, pursuant to applicable law.
- You have a right to correct inaccurate personal information.
- You have a right to request information about how your information is shared and what it is used for.
- You have a right to know what personal information is shared and with whom it is shared.
- You have a right to know with what third parties your information is shared.
- You have a right to opt out of the sharing of your personal information.
- You have a right to opt out of Our marketing to you.
- You have a right to receive a response within 45 days as of the date of the request.
- You have a right to file a statement if your request was refused.

To exercise any of these rights you can contact customer service at [800-926-1702](tel:800-926-1702) or visit <https://www.westernsouthern.com/privacy-request>.

Non-Discrimination

We will not discriminate against you or any other individual for the exercise of privacy rights conferred under applicable law.

Opting Out of Information Sharing

When you fill out forms on this website, including promotional offers, sweepstakes, contests, or requests to be contacted, you are, by default, allowing a representative of Us to contact you using the information you provided as well as allowing Us to possibly disclose your information to the companies listed above. Contact may also be in response to customer service inquiries, to provide you with information or material you have requested or to provide you with marketing or promotional offers. Contact may include telephone solicitation and/or e-mail communications.

Federal and state laws give you the right to limit some but not all marketing from Us as well as the information We share. Federal and state laws also require Us to give you this notice to tell you about your choice to limit marketing from Us as well as the information We share. You may limit Us and Our own subsidiaries, such as Our insurance and securities affiliates, from marketing their products or services to you based on your personal information that they receive from Us or from sharing your information.

To limit the sharing of your information, contact Us at [866-590-1349](tel:866-590-1349) or visit <https://www.westernsouthern.com/privacy-request>.

Privacy While Online

We employ safeguards to keep your information private and secure while you are online. Specific Internet practices include:

- Use of Secure Sockets Layer (SSL) technology to encrypt transmitted data.
- Maintaining firewall barriers and authentication procedures to prevent unauthorized access.
- Use of Cookies.
- Reviewing Our policies and practices to stay in accord with industry standards for privacy.
- Testing the strength of Our security in order to maintain a secure website.
- Monitoring Our computer networks.
